

EDITOR'S NOTE

The paper entitled "The Resources Question — Ownership, Taxation and Regulation Thereof" was delivered by Professor Rowland J. Harrison at the conference "Beyond the B.N.A. Act" on February 12, 1981. The Editorial Board of the *Alberta Law Review* sincerely regrets that this paper was unavailable at publication date for inclusion in this issue of the *Review*.

It is hoped that arrangements can be made for its publication, along with the accompanying commentaries of Professors Anthony Scott and Larry Pratt, in our next volume.
